Season Outlooks

UConn Women's Hockey

After another successful season where the University of Connecticut women's ice hockey team earned a school-record 22 wins in a single season, head coach Heather Linstad will look to guide her program to another Hockey East Association playoff berth during the 2008-09 season.

UConn returns 18 members from the 2007-08 squad, including junior Dominique Thibault (L'Original, Ont.), UConn's first ever women's ice hockey player to earn All-America honors as well as Hockey East Player of the Year honors. Joining the UConn program this season will be freshman Monique Weber (Rogers, MN), who will provide tremendous energy and size at both ends of the ice. Backing her up will be the two dynamo defensemen, Rebecca Hewett (Oak Bluff, Manitoba) and Sami Evelyn (Nepean, Ontario). Both defensemen will be a presence on the blue line. Each has played in high caliber situations and will make an easy transition into college hockey. The Huskies have also added another back stopper in Alexandra Garcia, from the province of Quebec. Garcia will use her athleticism and quick glove to compete for the starting job.

The Huskies' 2008-09 schedule features games against five of the top-10 programs ranked on the final USA Today/USA Hockey women's poll of the 2007-08 season. The Huskies will face ranked opponents in seven of their 34-game schedule. They will also host 22 games, including the Nutmeg Classic, at the Mark Edward Freitas Ice Forum.

UConn Men's Hockey

The 2008-09 season will be the 49th for the UConn men's hockey program. Head coach Bruce Marshall's team will return 21 letterwinners including the top-10 point-scorers and the top-two point getters, sophomore Andrew Olson and junior Chris Ochoa. Starting junior goalie Beau Erickson also returns to the pipes for UConn.

In addition, nine freshmen will bring a variety of talent to the team on both offense and defense with six forwards and three defensemen added to the team. These newly added players should help the Huskies to return to the postseason for the sixth straight season. Another new face will be seen on the sidelines this season is assistant coach Joe Dumais. Dumais has coached at both the collegiate and professional hockey levels and promises to serve as a valuable addition to the Husky coaching staff.

This season's schedule will be filled with excitement as the Huskies host in-state opponent Yale for the first time, and this year's UConn Hockey Classic will feature three strong opponents in Merrimack, Quinnipiac, and Air Force on the 29-30th of December. Be sure to catch all the action at the Mark Edward Freitas Ice Forum during the 2008-09 season!
