Continuing the Tradition

2007 BIG EAST Regular Season
and Tournament Champions

Dear UConn Soccer Fan:

Thank you for your continuing support of UConn Soccer and our student-athletes. With your loyal support, our program is recognized among the nation's elite soccer programs.

Over the past 10 years, we have won six BIG EAST regular season championships and four BIG EAST Tournament titles, have made two trips to the NCAA national semifinals and captured a National Championship.

Husky fans have continued to show their tremendous support at Morrone Stadium as we have placed in the Top 5 in attendance each of the last 10 years. During the 2007 season, UConn brought in an average of 3,244 fans per game and nearly 59,000 for the season.

And what a year for the crowds to see! The 2007 Huskies captured the BIG EAST Regular Season and Tournament Championships and advanced to the NCAA Quarterfinals. O'Brian White became the program's third Hermann Trophy winner and he joined Julius James as First Team All-Americans. In addition, White and James were named the BIG EAST Offensive and Defensive Players of the Year, respectively, while five others earned all-conference recognition.

We are looking forward to the upcoming 2008-09 season and thank you in advance for making a gift to support UConn soccer. Your commitment is greatly appreciated as you help us to provide our student-athletes with an outstanding academic and athletic experience.

The Friends of Soccer (FOS) fund assists us annually in our mission for excellence on the field and in the classroom, providing necessary funds for overall program enhancement.

If you wish to provide an additional gift to support soccer, please consider the Morrone Stadium Enhancement Fund, as we are working to provide the best home environment for our student-athletes and fans.

Again, thank you for your dedication to UConn soccer and our student-athletes.

Sincerely,

Jeffrey A. Hathaway
Director of Athletics
